MOBILE OFFICE TO BRING MOTORIST SERVICES TO CAMPUS

~ Mini-Florida Licensing On Wheels delivers services and promotes safety ~

GAINESVILLE - The Florida Department of Highway Safety and Motor Vehicles is pleased to announce its partnership with the University of Florida to bring motorist services directly to faculty, staff and students as they return to campus, saving them a possible trip to our offices.

The mini-Florida Licensing On Wheels mobile office (mini-*FLOW*) will be at Gator 1 Central on the Ground Floor of the UF Bookstore and Welcome Center adjacent to the J.W. Reitz Union on Museum Road on Aug. 16 - Sept. 3. The hours of operation will be between 10 a.m. – 3 p.m., Monday - Friday.

Mini-*FLOW*s are equipped with the technology and ability to bring valuable motorist services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, get an identification card, renew a vehicle registration and purchase a specialty license plate.

Mini-*FLOW*s also offer the Department's critical safety initiatives, such as [Emergency Contact Information](#) registration and safety campaigns by the Florida Highway Patrol. The Department implemented the Emergency Contact Information system nearly four years ago to allow Florida motorists to voluntarily register their emergency contact information either online or in an office using their Florida driver license or ID card number. The information can then be accessed only by law enforcement officers to find designated contacts in the event of an emergency.

Customers who wish to obtain a driver license or ID card must bring documents to show proof of:

1) identification, 2) Social Security number and 3) residential address (two items). Those who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you to the mini-*FLOW*, visit www.GatherGoGet.com or call (850) 617-3995. The Department also has a Gather. Go. Get. Facebook page at www.facebook.com/GatherGoGet. The Mini-*FLOW* staff will assist customers who do not have the required documents on hand by explaining what documents they need and how to obtain them. In addition to cash and personal checks, the Department accepts the following credit cards: MasterCard, American Express and Discover Card.

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement. The Department is leading the way to a safer Florida through the efficient and professional execution of its core mission: the issuance of driver licenses, vehicle tags and titles and operation of the Florida Highway Patrol. To learn more about DHSMV and the services offered and to request a *FLOW*mobile for your event, visit www.flhsmv.gov. To receive announcements from the Department, follow us on Twitter at [FDHSMV](#).
